Mike KD4OKR discussed the radio room at the Legion. They have given us a little more room to set up in and it looks nice. They have also renewed the insurance and now have a rider to cover the tower that is going up. Mike also mentioned a clean up day for the radio room and the legion in general. The clean up day was the 12th of March. Mike also announced that the Legion has applied for and received a club call. The new club call for the Legion is WB4TAL.

Kenn KK4OSI discussed public service and the effect it has on the community. How it benefits the image of Amatuer Radio. He encourages every body to get involved with public service and the good feelings you have for volunteering.
